MLC News

Last week, Group 3 learned about animals that hibernate. We talked about brown bears in Alaska in our News 2 You unit. This week, we will learn about the Fall season and Fall Festivals.

On Friday, the students were invited to spend the afternoon doing PE activities with a ROTC group. It was a lot of fun. The students rotated around the gym playing various sports activities.

Don't forget Open House on Tuesday! It will be a fun time with the Madonna family.

Show and Share

Show and Share is a great language building time. It is also a time that the students gain self-confidence with public speaking. Last week, the students enjoyed bringing animals and animal facts. This week, bring an item you might enjoy in the Fall of the year. (i.e., A leaf changing color or candy corn.) Please be sure your child brings an item so he/she doesn't feel left out.

Thank You!

A special Thank You to all who participated in the MLC annual golf tournament! Everyone had a wonderful time! Your participation and MLC spirit are appreciated!
