Group 3

Date: August 30-September 3

MLC News

The students are all adjusting very well to the new school year and the daily routine. It is amazing to watch each child learn new things and enjoy themselves while learning. Last week, we learned all about each other's likes, families, dreams and pets. We also had a science experiment on Friday and made slime! So much fun!

Thank you for helping your child with the "All About Me" posters. They turned out great and will be in our room throughout the year.

Every week, we learn about current events from our News2 You program. This week the topic is "The Great Barrier Reef. Be sure to ask your child what he/ she learned!

Show and Share

The students love Show and Share! This is a great language building time. It is also a time that the students gain self-confidence with public speaking. On Friday, please have your child bring something that relates to the ocean. Your child can bring an item (i.e., a seashell, bucket, or a photo.) Please send an item so your child does not feel left out.

Homework

This is a basic schedule for weekly homework:

Monday- Write spelling words

Tuesday- A worksheet will be sent home. All students create sentences using spelling words (some will write sentences)

Wednesday- Church night for some.

If time, practice spelling words on Learning A-Z Website and practice Typing Club.

Thursday- Worksheet will be sent home.

Practice Typing Club if time.

Friday- Enjoy your family time!

*Throughout the week please be sure your child spends time:

*Reading or being read to daily.

*Practicing Spelling words by playing games on Website Learning A-Z.

*Practice Typing Club

Reminders

Please check the Madonna Learning Center online calendar to be sure you are informed about the current events.
