MLC News

Hopefully, everyone had a good Labor Day holiday! Last week, we learned all about Saving the Great Barrier Reef. We also discussed Hurricane IDA.

This week, we will discuss the SpaceX Inspiration4 Mission! Did you know that there will be a space shuttle that orbits the earth with 4 people that are not astronauts? It is a St. Jude fund raiser! Yes, Memphis Tennessee's St. Jude is discussed in our News2 You website. We are all looking forward to learning new things. We have a fun week planned.

If your child has not had a hearing test in the past 6 months, please consider participating in the hearing test offered at Madonna. Many issues can be avoided with "good hearing!"

Show and Share

Show and Share is an important time for language building. It is also a time that the students gain self-confidence with public speaking. On Friday, please have your child bring an item that might be used or seen in space. Please send an item so your child does not feel left out.
