

This Week your child learned:

Theme for October: Science- Space

Reading –

Classics: Christmas Carol – we are reading the Christmas Carol play act 1 Marley’s Ghost

Unique: introduction to our galaxy

Novel: Tom Sawyer by Mark Twain- We have been introduced to the characters Huck Finn and Injun Joe

*Leveled silent reading book for classroom and library books (ask your student their book titles)

N2You- Celebrating the National Children’s museum in Washington DC

Creative Writing: “You have a magic bike, what will your adventure be?”

Social Studies- We made a map of the 7 continents and labeled each continent. **Science-** When we read that the National Children’s Museum had an exhibit with slime, we knew right away that we had to make some!

*look in your students’ notebook for graded reading and spelling assessment

Save the Date:

11/19-20th ½ day practice at GPAC

11-23 Sat. Christmas Play work day

11-25 Play practice at GPAC

11-27 Thanksgiving break begins

A Message from Ms. McCormick

Our CBI to the Pink Palace Museum was AWESOME! We so enjoyed our time together and watching the amazement on the kids’ faces as they viewed fossils, gemstones, and Dinosaurs. The Auto Zone Planetarium’s show, The Cardboard-box Rocket took us on an amazing adventure into space to visit each planet in our solar system. After the show we viewed the night sky that can be viewed this week on a clear night.
